No. 16 CV 6720

Hon. Charles R. Norgle

ORDER

Defendants GrubHub Holdings, Inc. and GrubHub, Inc.'s Motion to Stay Proceedings [61] pending the ruling of the United States Supreme Court in Epic Systems Corp. v. Lewis, 823 F.3d 1147 (7th Cir. 2016) is denied. The Court has already denied the issues raised in Defendants' Rule 12(b)(6) motion to dismiss. Discovery is proceeding, and this matter may lend itself to summary judgment. Class certification issues should be decided in a timely manner so as not to disrupt the proceedings at the district court level. The class, if certified, is relatively small, and the Plaintiffs are entitled to a prompt decision on the merits of their claims. Accordingly, the parties are not required to appear before the Court on February 3, 2017.
